Ref. G7A Beaubourg - G7B Beaubourg à manettes

## SOPHISTICATED AND TIMELESS CURVES

Inspired by Factory style, this series puts forward sophisticated and timeless curves bringing an authentic spirit to bathroom. These fittings use raw materials like metal, ensuring a touch of character in bathroom decoration.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

Beaubourg is available in several versions: cross handles (G7A), levers (A7B).

## TRANSITIONAL STYLE

This new term which originates from North America defines a style midway between the sophisticated aspect of the contemporary style and the elegance of the traditional style.

THG Paris transitional collections combine the comfort and warmth of the traditional style with the pure lines and understated shapes of the contemporary style.
