

SPIRIT COLLECTION

Ref. G69 Spirit - G58 Spirit à manettes

INDUSTRIAL AND MINIMALIST SPIRIT

With an industrial and minimalist spirit, this collection aims to offer practicality and ease-of-use. Entirely in metal, with engraving, this timeless design is reminiscent of the bathroom fittings of the past, while its attention to detail takes us to the United States, the birthplace of the “transitional” style. The Spirit collection gives solid value for all bathrooms.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

Spirit is available in several versions: cross handles (G69), levers (G58).

TRANSITIONAL STYLE

This new term which originates from North America defines a style midway between the sophisticated aspect of the contemporary style and the elegance of the traditional style.

THG Paris transitional collections combine the comfort and warmth of the traditional style with the pure lines and understated shapes of the contemporary style.
