A PERFECT REFLECTION OF ROYAL STYLE

This collection was born out of the partnership of two French companies, Bernardaud for the porcelain, and THG Paris for the tap fittings, and attempts to reproduce the historical motifs of the French style of the 18th and 19th centuries. The Marquise collection, available in platinum and gold, provides a small morsel of French history.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

PRESTIGE COLLECTIONS

The Prestige collections from THG Paris are part of the company's DNA. Adorned by semi-precious stones, crystal or porcelain, prestige bathroom fittings often have a classic shape but reveal a rare elegance. The gold or pale gold finishes go perfectly with the eminent designs.

BERNARDAUD

Bernardaud is France's leading manufacturer and exporter of table porcelain. Since 1863, the secrets and techniques of a two-thousand year old culture have been handed down from father to sons. Thanks to its expertise, clay transforms itself into an incomparably white, fine porcelain ware, translucent and sonorous.

Bernardaud forms part of the heritage of great names which contribute to France's renown. The company is one of the 70 members of the Colbert committee which represent the luxury industry and French quality abroad.
