

ELEGANCE OF THE FORMS & DELICACY OF THE DESIGN

Universal symbol of birth of the world for ancestral civilisations, these crystal eggs are attractively adorned with chiselled decorations of crickets. This collection combines ancient beliefs and modern design.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

PRESTIGE COLLECTIONS

The Prestige collections from THG Paris are part of the company's DNA. Adorned by semi-precious stones, crystal or porcelain, prestige bathroom fittings often have a classic shape but reveal a rare elegance. The gold or pale gold finishes go perfectly with the eminent designs.
