CONTEMPORARY, DARING AND REFINED STYLE

Cross brace or handle, with crystal incrustations, the Profil series is a must for aficionados of Jamie Drake and his contemporary, audacious and sophisticated style.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

CONTEMPORARY COLLECTIONS

Straight, graphic or sometimes curved lines, THG Paris contemporary bathroom fittings are pure and understated.

The chrome and pink gold finishes are ideally suited to this style.

JAMIE DRAKE AND LALIQUE

Internationally recognized and highly celebrated, Jamie Drake is a true master in both traditional and contemporary styles. To create his signature look, Drake embraces an eclectic mix of styles, colors and periods, fashioning uncommonly alluring interiors that express the individual personalities of their occupants.

For more than 100 years, Lalique's manufacture has perpetuated a traditional know-how. The different types of finishing create a characteristic contrast of clear and matt crystal, an identity with strong Art Nouveau and Art Déco inspirations.
