

## PURITY AND SERENITY

Combining the representation of a drop of water and the soft shapes of the 1970's, Pure adds a new contemporary series to THG Paris creations.

Its elongated cross braces and handles reveal wide facets encouraging the sense of touch and offering peace and calm through the sensation of purity.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

## CONTEMPORARY STYLE

From its extensive choice of designs, THG Paris proposes collections in a contemporary style.

Straight, graphic or sometimes curved lines, THG Paris contemporary bathroom fittings are pure and understated, but always elegant.

The chrome and pink gold finishes are ideally suited to this style.
