## FLAWLESS TRANSLATION OF A LEGEND

Océania is a visually stunning depiction of the legend of the starfish, shimmering amidst gentle ocean waves, characterized by the fluid form of the arched spout, as a reflection of their mysterious counterparts in the night sky. Designed with impeccable standards of craftsmanship, Océania's harmony of style exudes the lifelike splendor of these mysterious creatures through the flawless intricacies imbued into the satin crystal.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

## PRESTIGE COLLECTIONS

The Prestige collections from THG Paris are part of the company's DNA. Adorned by semi-precious stones, crystal or porcelain, prestige bathroom fittings often have a classic shape but reveal a rare elegance. The gold or pale gold finishes go perfectly with the eminent designs.
