

ORIENTAL AESTHETICS AND A VOYAGE OF DISCOVERY

Like a voyage of discovery, the Najem collection uses all the codes of oriental luxury. Sophisticated finishes and cut crystals, the elements of the Najem series transport you to the tales of the Arabian Nights.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

PRESTIGE STYLE

The Prestige collection from THG Paris are part of the company's DNA. Adorned by semi-precious stones, crystal or porcelain, prestige bathroom fittings often have a classic shape but reveal a rare elegance.

The gold or pale gold finishes go perfectly with the eminent designs.
