CLASSIC ELEGANCE FOR AN UNIQUE AND CUSTOMISABLE COLLECTION

Rounded forms and semi-precious stones, Amboise is classic elegance. Composed of two domes of crystal cut in an arc, the Amboise set is all the more unique by being customisable in several colours of stones such as lapis lazuli, black onyx, malachite and red jasper.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

PRESTIGE STYLE

The Prestige collection from THG Paris are part of the company's DNA. Adorned by semi-precious stones, crystal or porcelain, prestige bathroom fittings often have a classic shape but reveal a rare elegance.

The gold or pale gold finishes go perfectly with the eminent designs.
