A MAJESTIC AND UNIQUE SIGNATURE

Singular and baroque, the swan is the signature of this collection. As a single piece or a set, the Cygne spout becomes an object of decoration.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

PRESTIGE STYLE

The Prestige collection from THG Paris are part of the company's DNA. Adorned by semi-precious stones, crystal or porcelain, prestige bathroom fittings often have a classic shape but reveal a rare elegance.

The gold or pale gold finishes go perfectly with the eminent designs.
