Ref. U4E Duomo - U4F Duomo cristal

BOLD COLLECTION INSPIRED BY ITALIAN ARCHITECTURE

Named in honor of the renowned Duomo in Milan, revered for its classically inspired domed shape like many of the world's cathedrals, THG Paris' Duomo brings artistry and elegance to the bath.

Only the most experienced hands can craft the incredible intricate designs inscribed in the domes handles. An expert in the art of bas-relief works on the plated surface to expose the finish beneath each layer meticulously.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

PRESTIGE STYLE

The Prestige collection from THG Paris are part of the company's DNA. Adorned by semi-precious stones, crystal or porcelain, prestige bathroom fittings often have a classic shape but reveal a rare elegance.

The gold or pale gold finishes go perfectly with the eminent designs.
