## A REPRESENTATION OF PAST ELEGANCE

In honour of the famous and opulent French château built by king Louis XIV, this collection takes on a classic design but rich in decorations and noble materials.

In the manner of an engraving, the braces are decorated with floral and precious pomp to offer a typically French style sought after all over the world.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

## PRESTIGE STYLE

The Prestige collection from THG Paris are part of the company's DNA. Adorned by semi-precious stones, crystal or porcelain, prestige bathroom fittings often have a classic shape but reveal a rare elegance.

The gold or pale gold finishes go perfectly with the eminent designs.
