

ANTIQUE NICKEL

Like all types of nickel, antique nickel has warm, yellow hues as well as the hallmark brushed effect. THG Paris's craftsmanship is applied to each individual piece to create this «vintage» finish. This colouring is suited to tap fittings with complex shapes.

Reference: H28

CHARACTERISTICS

Polished nickel with a vintage appearance achieved by buffing with a black nickel overlay. Light regular care is strongly recommended.

ADVICE

Ease of cleaning: Easy
Corrosion resistance: Good
Scratch resistance: Good
Resistance to cleaning products: Good
