CONTEMPORARY, DARING AND REFINED STYLE

Cross brace or handle, metal only or with semi-precious stones and crystal incrustations, the Profil series is a must for aficionados of Jamie Drake and his contemporary, audacious and sophisticated style.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

CONTEMPORARY COLLECTIONS

Straight, graphic or sometimes curved lines, THG Paris contemporary bathroom fittings are pure and understated.

The chrome and pink gold finishes are ideally suited to this style.
