TRIBUTE TO THE FAVORITE OF THE COURT OF VERSAILLES

Pompadour raises the « retro-contemporary » style to a new level of refinement.

Classic chic for these fittings whose curves refer, as the name suggests, to the famous marquise of the court of Versailles.

Like her namesake, this bathroom fittings collection has become a favourite both in France and abroad.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver and rose gold.

TRANSITIONAL STYLE

This new term which originates from North America defines a style midway between the sophisticated aspect of the contemporary style and the elegance of the traditional style.

THG Paris transitional collections combine the comfort and warmth of the traditional style with the pure lines and understated shapes of the contemporary style.
