

## A CONTEMPORARY DRIVEN COLLECTION WITH PRESTIGIOUS HOTEL DESIGN

While Olivier Gossart was working on a project for a prestigious hotel in Courchevel, he thought of linking his brand to THG Paris', the French manufacturer of luxurious bathroom fittings and accessories.

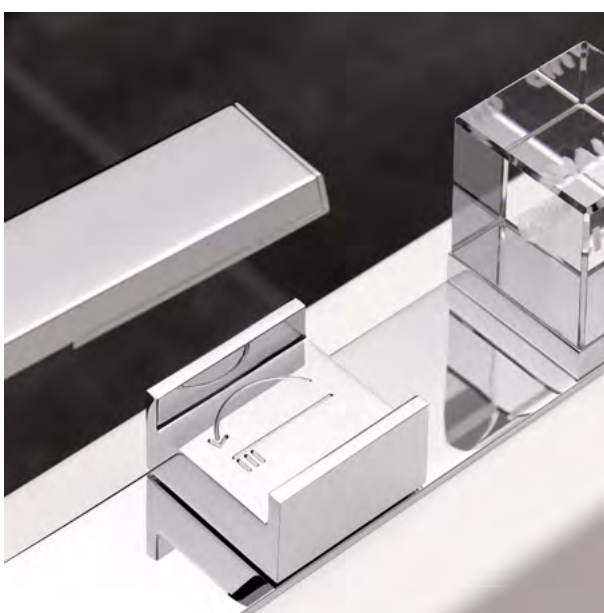

A short time later, he created a line of modern and design driven named So.

Available for basins, showers and baths, with a coordinated accessories line, this series is available in a wide choice of finishes, including chrome, gold, soft gold, nickel, rhodium silver, rose gold and so on.

### CONTEMPORARY COLLECTIONS

Straight, graphic or sometimes curved lines, THG Paris contemporary bathroom fittings are pure and understated.

The chrome and pink gold finishes are ideally suited to this style.

### OLIVIER GOSSART

Olivier Gossart is a passionate and independent man, open-minded by nature. He always focuses on his three favorite subjects: furniture design, interior architecture and scenographie.

Keen observer of new ways of living, Olivier Gossart belongs to a generation of workaholic creators who love facing countless challenges for which they eventually always find new means of making space alive.
